Shahd Mohamed Siddiq

EFL/ESL Educator | TEFL Specialist | Digital Pedagogy & EdTech

Giza, Egypt | +20 100 456 0964 | shahdmohamed25042004@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

TEFL-trained English language educator and 2026 English Language and Translation graduate with hands-on experience teaching children at CURIOOkids Egypt and middle-school and university-level learners in supervised settings. Skilled in learner-centred lesson planning, communicative instruction, classroom assessment, and visual materials design. Combines classroom practice with digital pedagogy and evidence-informed approaches to make language learning clear, engaging, and measurable.

TEACHING EXPERIENCE

English Teacher (Part-Time) | CURIOOkids Egypt **Oct 2026 – Present**

- Deliver interactive English communication sessions for children through age-appropriate activities, games, and guided discussion.
- Build speaking, vocabulary, and practical language use while supporting learner participation and progress.

English Teaching Practicum | MSA University **Sep 2025 – May 2026**

- Delivered supervised English instruction to university-level learners and conducted classroom-based assessment activities.
- Designed and administered an English assessment for 12 university students, including test structure and timing.

English Teaching Intern | Dar El Tarbiah Schools, Dokki **Sep 2024 – May 2025**

- Combined classroom observation with hands-on English instruction for Prep-stage (middle-school) students.
- Prepared learner-centred lesson plans and activities, adapting instruction to students' needs.

SELECTED PROJECTS

Visual Timeline Grammar Framework | MSA University **Sep 2025 – Jun 2026**

- Designed a visual-timeline approach for teaching Past Simple, Past Continuous, and Past Perfect.
- Quasi-experimental study with 12 dentistry students: mean grammar scores rose from 8.79 to 12.21; 87% reported increased engagement.

Digital English Proficiency Test Platform | MSA University **Apr 2026 – May 2026**

- Designed a four-skill English assessment covering listening, reading, writing, and speaking, and developed a digital testing platform with a printable exam version.

Interactive E-Learning Storyboard: Presentation Skills | MSA University **Sep 2025 – Dec 2025**

- Story-boarded a 113-screen interactive course with learning objectives, instructor-led video, guided practice, branching activities, and gamified formative assessment with corrective feedback.

EDUCATION

B.A. in English Language and Translation, TEFL Major | MSA University | GPA: 3.57/4.0 **2022 – 2026**

B.A. in Language, TEFL & Translation (Dual Degree) | University of Bedfordshire | GPA: 3.67/4.0 **2022 – 2026**
